## **Paket Corporation Now Offers Wipes in Personal Care Pouches**

**Chicago** (April 14, 2015) – Paket Corporation, the respected contract manufacturer of personal care and home-care products in flexible packaging media, has expanded the firm's turn-key capabilities to offer nonwoven wipes in form/fill/seal pouches. Paket now batch processes and fills liquids incorporating wipes into single-use packaging in a CGMP environment. This adds to the firm's repertoire of pouches including novel die-cuts, multi-packs, coupon samplers, and pillow-packs. The firm features a full-service laboratory for bulk formula quality assurance and product formulation projects to serve the industry. Paket Corporation is exhibiting at Booth #1435 at the NYSCC 2015 Supplier's Day event on May 12<sup>th</sup> and 13<sup>th</sup>. Visitors are encouraged to contact the firm's veteran cosmetic chemist, Matt Zoeller, to schedule a meeting during the event.

### **About Paket Corporation**

Paket Corporation is an established contract packager with over 100,000 square feet of manufacturing facilities located near the Port of Chicago. Since 1957, the firm has served the business needs of the personal care and household products industries; packaging their products into pouches, sachets and tubes. Since 2011 Paket has offered full turn-key product formulation and compounding of these products. Paket has 25 packaging lines, 50,000 liters of compounding capacity, plus shrink-wrapping, blister-carding and kit assembly packaging services. For more information, contact the firm at [info@paketcorp.com](mailto:info@paketcorp.com).
