Fat-Free Seasoning Adhesive

Edible coatings producer Mantrose-Haeuser¹ now offers Certiseal® SA, a fat free, low moisture adhesive system designed to adhere seasonings, flavorings and particulates including herbs, seeds, spices, colorings, and sweeteners to a variety of snack and bakery items such as crackers, breadsticks, snack mixes, cereals, pretzels and nuts. Certiseal® SA is a healthy alternative to fats and oils providing superior adhesion, processing ease and uniform coverage on bakery and snack items. Certiseal® SA has low added calories, making it ideal for diet friendly food products. The product will dry to a transparent, non-tacky finish with no extraneous colors, tastes, or odors.

We are excited to be exhibiting at the upcoming IFT16 in Chicago. Stop by booth 1867 to learn more about Certiseal® SA and other products. Or contact us by calling 800-344-4229 or visiting our website at www.mantrose.com.
