**BOAI NKY Pharmaceuticals Ltd. announces, at CPhI Barcelona, that it is the first excipient manufacturer in China to be EXCIPACT Certified.**

Tianjin, PR China (Sept 25,2016)-BOAI NKY, the first Polyvinylpyrrolidone(PVP) manufacturer in China and a significant manufacturer of Methyl Vinyl ether/Maleic anhydride copolymers(PVM/MA)-marketed as its OraRez range, announces today that it is the first Chinese Excipient manufacturer to be awarded the prestigious EXCIPACT Certificate for its new state of the art manufacturing plant located in Henan Province, China.

Mr. Wang Jianqiang, Vice Chairman of Boai NKY, said "our company was the first to manufacture PVP's in China, and has now become the first excipient manufacturer, in China, to be Certified by EXCIPACT. Our customers around the world can be assured that when they use Boai NKY products they comply with the highest quality standards"

Customers who are interested in discussing our product range should contact Dr. Herb Ulmer as above or visit us at Stand 4H73 at CPhI 2016 | Barcelona, October 4-6,2016

**ABOUT BOAI NKY.**

BOAI NKY Pharmaceuticals Ltd. (NKY stock code: 300109) was the first PVP manufacturer in China and has been manufacturing PVP's for nearly 30 years. The Company opened a new "state of the art" manufacturing facility in Henan Province, PR China in 2013, making it the production center for our PVP and PVM/MA polymer families.

All pharmaceutical, cosmetic, food and oral care polymers are manufactured under strict cGMP guidelines. With established R&D and Technical Centers, NKY is committed to the development of new products and technologies to bring new solutions and value to our customers.

The Company operates through owned subsidiaries in Asia and Europe and with a network of specialist distributors. We serve customers in more than 60 countries worldwide.
